# Hardwire LLC Patents

---

## Hardwire LLC Published Patent Applications

<b>Published Patent Application Number</b>	<b>Description</b>	<b>Publication Date</b>
2016/0363419	Ballistic Resistant Vehicle Window Insert	12/15/2016

## Hardwire LLC Granted Patents

<b>Patent Number</b>	<b>Description</b>	<b>Date</b>
US 9,651,340	Ballistic Resistant Vehicle Window Insert	5/16/2017
US 9,333,714	Vehicular Armor System	5/10/2016
US 9,316,467	Armored Door Panel	4/19/2016
US D738784	Design for Cab for an Armored Vehicle	9/15/2015
US 9,090,116 B2	Armored Whiteboard Device	7/28/2015
US 9,010,232	Vehicle with Structural Vent Channels for Blast Energy and Debris Dissipation	4/21/2015
US 8,991,118	Armored Door Panel	3/31/2015
US 8,769,882	Protection System for Structural Members Such As Cables	7/8/2014
US D706,869	Dry Erase Whiteboard	6/10/2014
US 8,739,675	Armor Panel System to Deflect Incoming Projectiles	6/3/2014
US D694,333 S	Clipboard	11/26/2013
US D694,332 S	Clipboard	11/26/2013

Friday, October 27, 2017

<b>Patent Number</b>	<b>Description</b>	<b>Date</b>
US 8,584,572 B2	Vehicle w/Structural Vent Channels for Blast Energy & Debris Dissipation	11/19/2013
US D687,100 S	Dry Erase Whiteboard	7/30/2013
US 8,006,605 B2	Armor Panel System	8/30/2011
US 7,997,181 B1	Hard Component Layer for Ballistic Armor Panels	8/16/2011
US 7,200,973 B2	Wire Reinforced Thermoplastic Coating	4/10/2007
US 7,144,625	Wire Reinforced Thermoplastic Coating	12/5/2006
US 6,811,877 B2	Reinforced Structure	11/2/2004
US 6,773,655 B1	Large Composite Structures and a Method for Production of Large Composite Structures Incorporating a Resin Distribution Network	8/10/2004
US 6,601,357	Un-Reinforced Thermoplastic Coating	8/5/2003
US 6,159,414	Large Composite Core Structures Formed by Vacuum Assisted Resin Transfer Molding	12/12/2000
US 5,958,325	Large Composite Structures and A Method for Production of Large Composite Structures Incorporating a Resin Distribution Network	9/28/1999
US 5,904,972	Large Composite Core Structures Formed by Vacuum Assisted Resin Transfer Molding	5/18/1999
US 5,721,034	Large Composite Structures Incorporating a Resin Distribution Network	2/24/1998
US 5,505,030	Composite Reinforced Structures	4/9/1996
