

# HARDWIRE

## B-Kit Exterior Door Armor

### Key Features:

- NIJ Level 3A or 3 protection
- Protects against blades & ammunition from handguns, shotguns & assault rifles (level 3 only)
- Seamlessly covers an officer's vulnerabilities while in vehicle
- Works alone or in conjunction with Hardwire's Transparent Armor Window Insert
- Provides a strong defensive position when outside the vehicle
- Protective skin blends with OEM door and paint
- Buys an officer time to assess complicated situations
- Fast & easy installation
- Deployed in major cities across the United States
