

Hardwire Bulletproof Whiteboard: Product Data Sheet

Product Description: The Hardwire Bulletproof Whiteboard is an everyday, multi-purpose teaching tool which provides emergency protection in a school intruder situation.

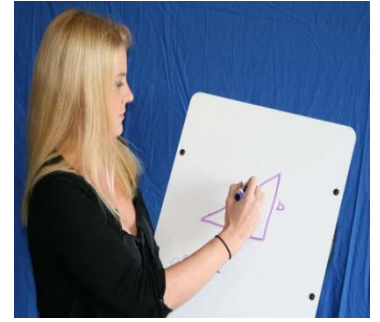

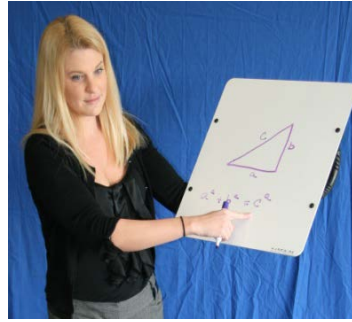

Bulletproof Whiteboard Shields:

18 inches x 20 inches in size.
Weighs less than four pounds.
Includes three easy-to-hold handles for portability.

Bulletproof Whiteboard Clipboards:

10 inches x 13 inches in size.
Weighs only one pound.
Heavy duty clip holds letter size papers.

Standard Use: Use as a portable teaching tool for daily instruction, teaching, and communication.
Use only with dry erase markers and erasers.

Emergency Use: First and foremost, **always follow your approved school procedure** in the event of an emergency. As a last line of defense, the following actions can help protect against an intruder:

Step 1. Identify the threat.

Step 2. Grip rear handles.

Step 3. Position shield in front of body and minimize exposed body areas.

Maintenance

- Erase contents from the whiteboard with a clean eraser as soon as it is no longer needed.
- When needed, clean the surface with mild detergent, water, and a soft cloth, or an alcohol-based cleaning product.
- If a non-specified marker is accidentally used, wipe it off immediately with an alcohol-based cleaner.

Transportation and Storage

- Keep away from high temperatures, high humidity, and direct sunlight to preserve whiteboard surface.
- Store at no more than 100°F (38°C) to preserve whiteboard surface.

WARNING. NOT FOR RECREATIONAL USE OR TEST PURPOSES. THIS IS NOT A TOY. DEATH OR SERIOUS INJURY CAN OCCUR.
